

Using Glogster for Education

TO BEGIN

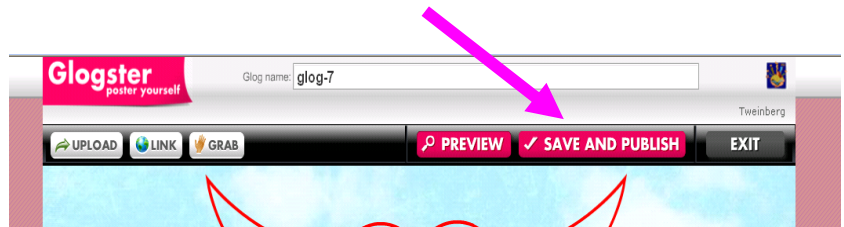

Go to Glogster. (www.glogster.com/edu-)

Log in with the id and password given to you by your teacher

TO MAKE A GLOG

Click on CREATE A NEW GLOG.

Before you get started, please
save your work.

SAVING WORK

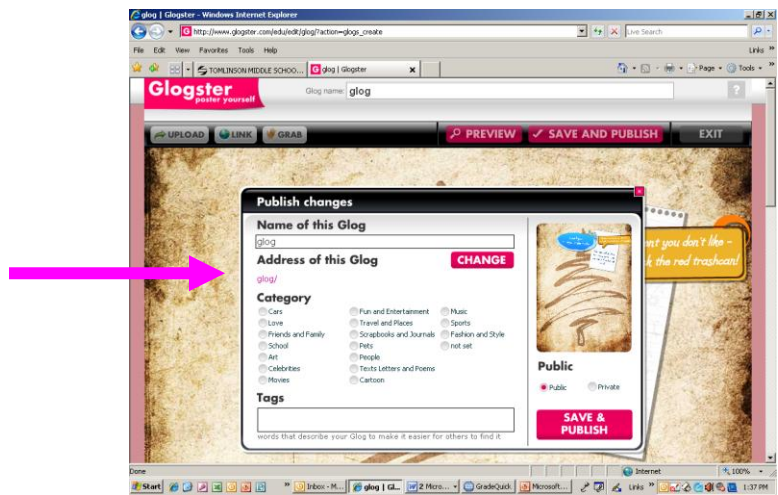

Click **SAVE AND PUBLISH**

Change the **Name of the Glog** to
show what it is about.

Click Category **School**

Click **Finished**

Click **SAVE & PUBLISH**

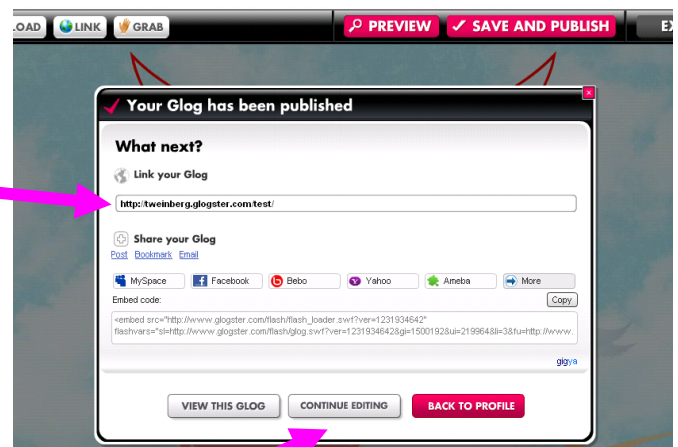

NOTE

If you didn't log in, make sure to **copy** the Web address of your Glog and **paste** it into a word document. Otherwise

YOU WILL **NEVER** BE ABLE TO FIND YOUR GLOG AGAIN!!!

Click on **Continue Editing** to work on your Glog.

EDITING YOUR GLOG

You can move, rotate, change or delete any items that are already on the page. Click on it, then drag to move or click on the trash can to delete. You may need to scroll down to see all the images on the page.

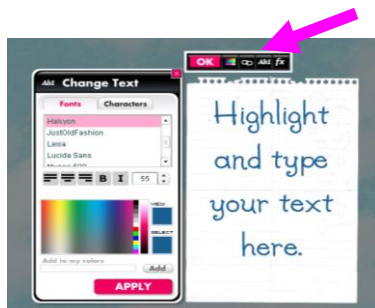

WALL gives you a choice of backgrounds. Select the picture, and then click on **USE IT!**

TEXT gives you several choices: speech bubbles, titles (for brief text), or stickers (usually rectangles such as index cards or notebook pages for longer text)

Select **Basic** if you want your text directly on the background instead of inside a shape.

TO EDIT TEXT:

Click on **EDIT**, then highlight and change the words.

Click **Ab1** to change text color, font, or size.

Click the **linked rings** to **add a link to a webpage**- paste in the URL.

Click the **colors** to change the background color of the text box.

Click **fx** for special effects, such as shadows.

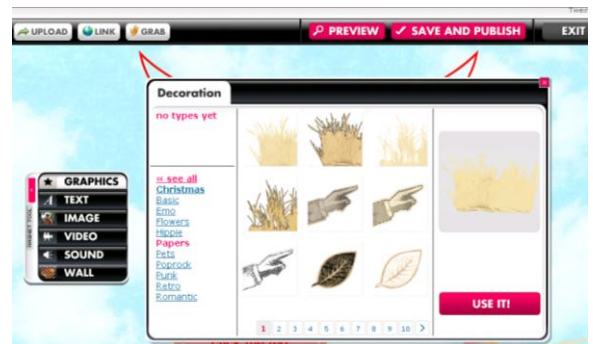

Click **APPLY** to save changes.

Click **OK** when you are finished editing.

GRAPHICS gives you a choice of Glogster pictures to add to your page.

Click to select, then click on **USE IT!**

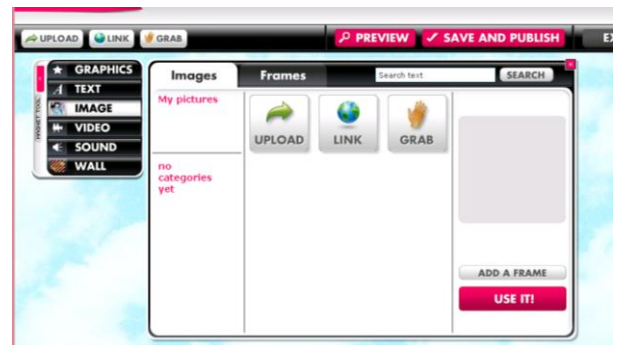

Click on the picture to edit it.

IMAGES is for your saved pictures.

Click on **Upload**, then navigate to the folder where you saved your pictures.

Click to select, then click on **USE IT!**

VIDEO allows you to upload saved video files

Click on **Upload**, then navigate to the folder where you saved your movie.

Click to select, then click on **USE IT!**

SOUND allows you to upload saved audio files

Click on **Upload**, then navigate to the folder where you saved your sound file.

Click to select, then click on **USE IT!**

SAVE and PUBLISH

Follow Saving Work steps above

But DO NOT change the Name of your Glog!

Click View Glog
